Learning Tasks

Over the term, Gladesville Primary School Staff have been working to develop continuous assessment and reporting for students and parents. This comes in the form of Learning Tasks on Compass. The tasks, feedback and grading is shared with parents, allowing the school to provide continuous reporting or academic progress in a simple manner.

We hope that you enjoy this approach to assessment and reporting, and that you find them helpful in celebrating your child's learning with them.

To access all of your child's Learning Tasks:

- open Compass in your browser
- click the link on the left hand side of the page that says Profile (attendance, Schedule, Reports)
- click on the second tab that says Learning Tasks
- click on the name of the Learning Tasks to open
- read the task information
- click on the feedback tab to read more information and download attachments including work samples and rubrics

The screenshot shows the Compass Learning Tasks interface for a parent named Mrs Christine CRABBE. The interface has a dark blue header with navigation icons and the user's name. Below the header, there's a section for the parent's name and an 'Active' status. A tabbed menu includes 'Dashboard', 'Learning Tasks' (selected), 'Insights', 'Payments', 'Conferences', and 'Communications'. The main content area displays a table of learning tasks with columns for Code/Student Name, Learning Task, Status, Result, and Actions. Two tasks are listed: '99 English Unit 1 Vincent CRABBE' with a 'Graded Assessment' status and 'Submitted: On Time', and 'BI011A Vincent CRABBE' with a 'Biology Research Task' status and 'Submitted: Pending'.

Code/ Student Name	Learning Task	Status	Result	Actions

BI011A Vincent CRABBE	Biology Research Task Class Task Report: No	Due date: 23/02/18 04:00 PM Submitted: ⏸ Pending	-

Easter Celebrations

Even though Easter is two weeks away, we have celebrated Easter with a Bunny Brunch, an Easter raffle and the annual Hot Cross Bun Drive. Through these collective fundraising efforts we are delighted to announce that we have raised \$659.

Congratulations on our Easter Raffle Winners!

First Prize: Harley: Foundation

Second Prize: John: Gr 1/ 2

Third Prize: Amy L: (sold by Chloe)

Fourth Prize: Charlotte: Gr 1/2

Our Term 1 fundraising has raised a total \$3507 towards our annual target of \$10,000. We would like to thank everyone who has supported the school to achieve this progressive total. We look forward to a grand celebration when we achieve our target later this year.

School Uniform

As advertised over the past few years, at the start of 2019, the old logo uniform will no longer be school uniform and will need to be replaced with new logo items. Last year, School Council have approved the revised School Uniform Policy which was sent to families.

Families that are in a position where they may need to set up a payment plan for purchasing new school uniforms are encouraged to contact the Principal, Mrs Wood, to discuss.

House Sports Day

On Tuesday the 19th of March Gladesville Primary School had a sports day where each house colour participated in activities like shot put, discuss, javelin and 100m sprint. As we went on, each student was trying their hardest too compete and gain points for their house as well as trying to place 1st, 2nd or 3rd.

The foundation and 1 / 2s were having a good time participating in the egg and spoon, sack races and hurdles. Each student in Foundation to Year 2 received a ribbon.

Year 3/4/5/6 all had a splendid time. Most of the students got a ribbon, the students who got a ribbon were excited and everyone had a good time.

We had an assembly to present the school shield to the winning house

Sports Day

On Tuesday the 19th of March, we had a whole school sports day. We had shotput, discus and plastic rockets as javelins. We jumped over hurdles and Isaac tried the big ones, which was very brave. At the end there was a big race. It was a challenging day but everyone tried their best. Everyone was tired by the end but we were still happy. Base won but everyone are winners!

2019 The Year of Indigenous Languages

In 2016, the United Nations reported that 40 per cent (2,680) of the estimated 6,700 languages spoken around the world were in danger of disappearing. Most of these are Indigenous languages, affecting the way we live and placing our cultures and knowledge systems at risk. In Australia, of the estimated original 250 Aboriginal and Torres Strait Islander languages only around 120 are still spoken. Of these approximately 90 per cent are endangered. This year Japara will be hosting events supporting Indigenous Australians.
