### Our Mission:

*Value kindness, learn together and empower the leader within.*

### A few messages from the Principal's desk. . .

#### Production

WOW! WOW! WOW! WOW! *What's Up Mr Grump?* was sensational. I trust that everyone enjoyed the production as much as our wonderfully talented students did. The feedback from family and friends has been overwhelmingly positive.

Once again, we would like to thank the amazing Nadia for her work with all the students, and the Gladesville Staff for their organisation and support of this great event. The annual school production truly empowers students to identify their strengths and talents and then take them to a whole new level.

The Foundation students are always a delight to watch as they take to the production stage for the first time, this time filling us with joy. Grade 1/ 2 put on a beautiful scene about sadness. Grade 3/ 4 really did get their anger on and Grade 5/ 6, though teaching us about disgust, were wonderfully theatrical in their dance performance. All grades are to be congratulated on their synergy to put on such a high quality performance.

Congratulations to our fabulous leads. The effort you put into learning lines and preparing for your scenes is commendable and a true demonstration of leadership for those students who will be leads in the future.

## Principal's messages continued... ..

### Leadership Morning

Primary School. Families, friends and community members are invited to join us for this important celebration event. We begin with student speeches and entertainment and then invite visitors to join in activities around the school.

Children have many examples of leaders in their lives and this year we would like to include as many of these leaders in our celebration as possible. This may include:

- sports coaches
- dance teachers
- music teachers
- education leaders
- church leaders
- leaders of charities
- leaders of community organisations
- business leaders

If your child has a leader in their life that they would like to invite to our Leadership Morning, please contact Mrs Wood at the school by phone or email. All we need is their contact details and we will send them an invitation. Alternatively, you can print out the invitation attached and your child can deliver it themselves. Please ensure you RSVP for catering purposes.

We are looking forward seeing a wide range of community members join us for this wonderful event.

General Parent Member: Kathy Sutton  
General DET Member: Nicki Wood

Community Member: Joanne Scanlan (Japara House)

We have a parent member vacancy that we would very much like to fill. This is a 12 month vacancy. If you are interested in this wonderful opportunity to support our school, please contact the office to discuss.

At our next meeting, we will be setting the 2019 School Council Sub Committees. These include:

- Education Sub Committee
- Buildings and Grounds Sub Committee
- Finance Sub Committee
- Marketing and Publicity Sub Committee
- Fundraising Sub Committee
- Outside School Hours Care Sub Committee

Ideally we would like to have 4 parents or community members on each sub-committee. These Sub Committees meet twice a term to plan and organise short term or long term projects to continually improve the wonderful learning community we are a part of. If you are interested in being on a school council Sub Committee, please contact the office or speak to a school councillor. Thanks to those parents who have informed us that they would like to be on a Sub Committee. We will be in touch shortly.

## Learning Tasks

Over the term, Gladesville Primary School Staff have been working to develop continuous assessment and reporting for students and parents. This comes in the form of Learning Tasks on Compass. The tasks, feedback and grading is shared with parents, allowing the school to provide continuous reporting or academic progress in a simple manner.

We hope that you enjoy this approach to assessment and reporting, and that you find them helpful in celebrating your child's learning with them.

To access all of your child's Learning Tasks:

- open Compass in your browser
- click the link on the left hand side of the page that says Profile (attendance, Schedule, Reports)
- click on the second tab that says Learning Tasks
- click on the name of the Learning Tasks to open
- read the task information
- click on the feedback tab to read more information and download attachments including work samples and rubrics

The screenshot shows the Compass Learning Tasks interface for Mrs Christine CRABBE. The top navigation bar includes links for Dashboard, Learning Tasks (selected), Insights, Payments, Conferences, and Communications. Below the navigation bar, there is a table of Learning Tasks. The table has columns for Code/Student Name, Learning Task, Status, Result, and Actions. Two tasks are listed: '99 English Unit 1 Vincent CRABBE' with a 'Graded Assessment' status, and 'BIO11A Vincent CRABBE' with a 'Biology Research Task' status. The 'Status' column shows 'Due date: No due date' and 'Submitted: On Time' for the first task, and 'Due date: 23/02/18 04:00 PM' and 'Submitted: Pending' for the second task. The 'Result' column shows '-' for both tasks. The 'Actions' column shows a wrench icon for both tasks.

Code/ Student Name	Learning Task	Status	Result	Actions
99 English Unit 1 Vincent CRABBE	<b>Graded Assessment</b> Subject-wide Task   Report: Yes	Due date: No due date Submitted: On Time	-	
BIO11A Vincent CRABBE	<b>Biology Research Task</b> Class Task   Report: No	Due date: 23/02/18 04:00 PM Submitted: Pending	-	

## School Uniform

As advertised over the past few years, at the start of 2019, the old logo uniform will no longer be school uniform and will need to be replaced with new logo items. Last year, School Council have approved the revised School Uniform Policy which was sent to families. Families are reminded that ALL students are to adhere to the uniform policy.

This includes:

- NO LEGGINGS for girls. Girls are to wear school appropriate tracksuit pants.
- Black school shoes or runners that DO NOT FLASH
- NO BOOTS

## Life Education

It is with great excitement that we are able to share with you that in Term 3, the Life Education Van will be visiting Gladesville Primary School with the one and only, Harold the giraffe. We would like to thank Miss Groen who has worked over the past week to secure this opportunity AT NO COST TO FAMILIES for our students. During the Life Education visit, students will engage in a variety of learning activities, reinforcing our Student Wellbeing and Child Safe Standard policies. Watch Compass for dates.

### SUMMER/AUTUMN 2019 PROGRAM AND ACTIVITY GUIDE

**2019 The Year of Indigenous Languages**

In 2016, the United Nations reported that 40 per cent (2,680) of the estimated 6,700 languages spoken around the world were in danger of disappearing. Most of these are Indigenous languages, affecting the way we live and placing our cultures and knowledge systems at risk. In Australia, of the estimated original 250 Aboriginal and Torres Strait Islander languages only around 120 are still spoken. Of these approximately 90 per cent are endangered. This year Japara will be hosting events supporting Indigenous Australians.
